

Essentials from jazzahead!'s terms and conditions

jazzahead! does not accept applications from bands that already have performed with an identical line-up at jazzahead! 2022 or 2023.

For the Dutch showcases the band should be a formation from the Netherlands (this means, the majority of the band members should have a residence in the Netherlands).

For the European showcases, the band should be a European formation (this means, the majority of the band members should have a residence in Europe, excl. Germany and the Netherlands).

For Overseas, the band should be a formation from outside of Europe (this means, the majority of the band members should have a residence outside of Europe).

For the German Jazz Expo, the band should be a formation from Germany (this means, the majority of the band members should have a residence in Germany).

Dutch and all other European showcases: the selected bands get a time slot of 30 minutes performance time + time for set-up (according to a schedule provided by jazzahead!).

The official selection of showcasing bands 2024 will be announced to the public by mid-December 2023. However, all applicants will already receive a message confirming whether they have been accepted into the program or not before then.

All participating musicians of the selected bands will receive badges that entitle them to free entrance to jazzahead!'s official program online and on-site (incl. exhibition, concerts, conferences, and matchmaking sessions).
